

2019 CBRFC Stakeholder Engagement Forum

Date: September 10, 2019

Location: Bureau of Reclamation Offices 445 W Gunnison Avenue, Grand Junction, CO 81501

Goals:

- (1) Inform stakeholders on recent updates and advancements at the CBRFC, particularly pertaining to model and forecast development and product delivery
- (2) Highlight current applications of CBRFC's data, products, and services across a wide variety of stakeholders over the CBRFC's area of responsibility, while also discovering opportunities for the CBRFC to improve decision support services for its stakeholders
- (3) Facilitate discussion and collaboration between stakeholders who may be able to apply methodologies presented at the meeting to their own operations

Background:

CBRFC's annual stakeholder engagement forum is important for assessing stakeholder needs and determining priorities for the CBRFC. Typically, feedback from our stakeholder forums inform our needs and priorities for the upcoming water year.

Additionally, the CBRFC will update stakeholders on recent advancements to the CBRFC's forecasting methodology and planned improvements to products and services.
