

## 2023 CBRFC Stakeholder Engagement Forum

Dates: November 8th – 9:00 AM to 3:30 PM Mountain Time

Location: Colorado Basin River Forecast Center – 2242 West North Temple, Salt Lake City, UT 84116

### Goals:

- (1) Inform stakeholders on recent updates and advancements at the CBRFC, particularly pertaining to model and forecast development and product delivery
- (2) Introduce Colorado Basin River Forecast Center products, services, and methodologies to those that are new to the CBRFC, recently hired by an agency that utilizes CBRFC products and services, or those that just wish for a refresher on key CBRFC products, services, and methodologies
- (3) Present information related to the future of streamflow and water supply forecasting, including, but not limited to, new models, methodologies, and datasets.

### Background:

CBRFC's annual stakeholder engagement forum is important for assessing stakeholder needs and determining priorities for the CBRFC. Feedback from past stakeholder forums has informed our needs and priorities in the past.

Additionally, the CBRFC will update stakeholders on recent advancements to the CBRFC's forecasting methodology and planned improvements to products and services.
